

## Supply Chain Partners & Their Interconnecting Roles

Presented by  
**Krista Crotty, BSE, MSE**  
of Alberi EcoTech

While in Corporate Procurement at IBM, Krista was instrumental in working with suppliers and training compliance teams. Krista's experience crosses numerous industries, from aerospace, semiconductor manufacturing equipment, electrical component technology and reliability, and motor sports preparation and competition. She is still active today with motor sports preparation and competition with her Swift DB-1 Formula Ford.

Topics include:

- What is a Supply Chain?
- Identify the different organizations which participate in a supply chain
- Align your supply chain with your business strategy
- Execute Supply Chain Management in your company
